

# WorkHero

## CARPET BLOWER

Ideal for:

Emergency Floods

Water Damage

Wet Carpets

# SC-900

## INTRODUCTION

Congratulations on the purchase of your new Work Hero Carpet Blower. We recommend that you carefully read this instruction manual.

### Before you begin

This product must be operated in accordance with these instructions and safety reminders.

### PLEASE READ THESE INSTRUCTIONS THOROUGHLY.

This will ensure you obtain full benefit from your new blower. Keep this instruction manual in a handy place for future reference.

### IMPORTANT

Always switch the blower off and remove the plug from the electricity supply before cleaning your appliance, when not in use, or attempting any maintenance task. The blower must only be connected to an AC supply at the voltage shown on the rating plate. This blower should only be used for its intended purpose as described in these instructions.

**This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Young children should be supervised to ensure that they do not play with the appliance. It must not be used on people or animals.**

- **The blower is not waterproof, protect from water or detergents to avoid the risk of electric shock.**
- Always disconnect the blower from the power outlet by pulling out the plug directly, **NEVER** by pulling on the supply cord.
- When using an extension cord please make sure that it is of an approved type and that it is fully extended. Failure to do so could cause your blower to overheat and damage it.
- **DO NOT** continue to use this blower if it appears to be faulty or the supply cord is damaged. If the supply cord is damaged, it must be replaced by the manufacturer or its service agent or a similarly qualified person in order to avoid a hazard. If a fault cannot be rectified, please return to the point of purchase.
- If damaged, return the blower for repair by an authorised ICSH Service Centre in order to avoid a safety hazard.

## KNOW YOUR PRODUCT

1. Control Panel
2. Extension Handle
3. Wheels
4. Blower Outlet
5. Carpet Clamp
6. Carry Handle

## IMPORTANT

Before using make certain to remove excess water/moisture to facilitate efficient drying.

### **CAUTION! Secure Cable**

An extension cable is required with this blower, an extension cable allows for ease of replacement when damaged. Please make sure you follow the instructions to properly fit the cable through the cable protector.

**THE CABLE PROTECTOR IMPROVES THE CABLE CONTROL WHEN IN USE AND SERVES AS AN IMPORTANT SAFETY DEVICE.**

#### **See Diagram 1**

Make sure you bend the cable approximately 10cm from the fixed end into a "U" shape as shown.

Slide the cable "U" shape through the elongated slot on the cable protector and loop over the hook part of the cable protector.

#### **See Diagram 2**

Once the cable is fitted, pull firmly on the cable side shown to locate securely.

# 6 Month WARRANTY

This is a parts and labour warranty against product defects and failures, when the product is used in accordance with the terms and conditions of this warranty statement.

This warranty commences from the original date of purchase and is not transferable; please retain your original proof of purchase for any warranty claims. This warranty is valid only in the country where the blower is purchased.

When properly used and cared for, your blower will render excellent service; refer to the instruction manual for further details, as misuse or failure to follow the instructions makes this warranty void. In the event of service or advice being needed, please contact International Cleaning Solutions Pty Ltd, ACN 119 462 798. Level 1, Building 2 Brandon Business Park, 530 Springvale Rd, Glen Waverley, VIC 3150. Customer Care: 1800 815 270.

The decision to repair or replace the blower is at the sole discretion of International Cleaning Solutions Pty Ltd. If International Cleaning Solutions Pty Ltd decide to repair or replace the blower, it will do so at its own cost.

International Cleaning Solutions Pty Ltd is unable to accept responsibility under this warranty for any repair work not carried out by an authorised International Cleaning Solutions Service Agent or from the use of non-genuine parts. If any part is no longer available or manufactured, International Cleaning Solutions will replace it with a genuine functional replacement part.

This warranty does not apply to the cost of replacing any parts of the product due to normal wear and tear, alterations, improper installation, physical abuse, misuse or accidental damage. Any transportation costs involved in the repair of defective parts shall be borne by the claimant.

If proof of purchase cannot be provided at the time of a warranty claim or service, any work carried out on the blower is chargeable. The repair or replacement of the blower under this warranty does not extend the original period of warranty.

The benefits conferred by this warranty are in addition to all other rights and remedies in respect of the product as outlined under the Competition and Consumer Act and other State and Territory laws.

"Our goods come with guarantees that cannot be excluded in the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure."

## Keep this Guarantee and your receipt as proof of purchase
